Cyber Resilience Center

The **Cyber Resilience Center** provides a valuable service for the supply chain ecosystem

- Integrate and automate cyber security across the supply chain

- Facilitate the collaboration of cyber teams with allied partners in the maritime sector

- Early warning system for the ecosystem with improved quality, quantity and speed of cyber information sharing

What the CRC is and what it is not…

What the CRC Is

- ✓ Collaboratively developed

- ✓ Collective, relevant, bi-directional information platform

- ✓ Information resource

- ✓ ecosystem and to help restore operations

- ✓ Non-invasive, non-disruptive to existing cyber systems

What the CRC is Not

- ⊘ Not a replacement for individual stakeholder cyber security

- ⊘ Not for proprietary information

- ⊘ Not additional noise
