ABU DHABI PORTS will adhere to the IHSE & BC Policy by integrating health, safety, environment and business disruption aspects into its business and management processes.

ABU DHABI PORTS is committed to complying with all pertinent regulations from applicable Abu Dhabi Sector Regulatory Authorities, as well as applicable national and international rules and regulations.

ABU DHABI PORTS will strive to conduct and manage its business and activities in a manner designed to responsibly minimise HSE risks to a level which is ‘As Low As Reasonably Practical’ (ALARP).

ABU DHABI PORTS will strive to encourage optimal use of resources consumed thereby minimising emissions and waste.

ABU DHABI PORTS is committed to reduce risks in its operations to safeguard its personnel and protect the environment in the communities within and around its premises.

ABU DHABI PORTS is committed to implementing, maintaining and validating a comprehensive BC programme, to ensure the continuity of critical operations under all circumstances.

ABU DHABI PORTS will transparently communicate its HSE results and welcome input from regulatory agencies, communities and other interested parties.

Within the scope of the Policy defined above and to support ABU DHABI PORTS’ role in the Abu Dhabi 2030 Vision and OSH Policy, ABU DHABI PORTS shall:

- Demonstrate ABU DHABI PORTS’ commitment to sustainable development.
- Identify and mitigate business disruption risk.
- Align with the corporate values of not compromising on safe and secure operations.
- Establish ABU DHABI PORTS’ programmes to maintain employees’ health and wellbeing.
- Provide alignment between ABU DHABI PORTS’ activities and HSE resources.
- Monitor and manage health, safety and environmental risks and ensure that measures adopted are cost-effective.
- Obtain stakeholders and interested parties input.
- Conduct effective audits to monitor performance against established objectives and compliance requirements.
- Conduct periodic inductions for ABU DHABI PORTS’ personnel and those working for, with, and on behalf of ABU DHABI PORTS.
- Develop a systematic approach to ensure compliance with Abu Dhabi EHS systems, as well as national and international laws and standards that ABU DHABI PORTS subscribes to; and international best practices, in order to continually improve HSE & BC performance.
- Conduct periodic management reviews, to evaluate IHSE & BC MS effectiveness and HSE & BC performance; setting HSE & BC targets and objectives to ensure that the IHSE & BC Policy remains relevant and appropriate.
