

## **COMMITMENT AGREEMENT FOR THE SUSTAINABLE DEVELOPMENT OF THE PORT OF CARTAGENA**

**H**aving been informed of the sustainable development strategy promoted by the Port of Cartagena within the framework of the United Nations Agenda 2030, I am pleased to inform you that ORGANISATION is aligned with the values pursued by this initiative. With this letter we wish to express our intention to take an active part in the sustainable development of the Port of Cartagena.

Commitment:

- We are committed to incorporating the 2030 Agenda into the organisation's strategy with the aim of jointly building the most sustainable port in the Mediterranean.
- We will network with APC and the rest of the entities that make up the Port Community of Cartagena with the aim of joining forces and generating synergies that help to promote the fulfilment of the Sustainable Development Goals (SDGs).
- Where possible, we will study the impact that our activity has on the different SDGs and, depending on this impact, we will prioritise actions that help to guarantee the fulfilment of these SDGs.
- We will help to disseminate the 2030 Agenda among our stakeholders and act as a driving force for this commitment in the value chain of which we form part.

- We will promote the exchange of good practices in the implementation of the 2030 Agenda.
- We will promote agreements for the implementation of joint projects that help to improve the Port Community of Cartagena's contribution to the 2030 Agenda.
- We commit to participate in organised activities, where possible, as well as in specialised initiatives and working groups, exchanging experiences and knowledge between entities that share these same principles.
- We will favour the dissemination of experiences and knowledge among the rest of the society of Cartagena and the region of Murcia.

Together, we commit to work, with the rest of the Port Community of Cartagena, on the development of a common strategy to help implement the Sustainable Development Goals in the Port of Cartagena.

And for the record, we hereby sign this document.

Best regards:
