**99%**  
of students said they learned something new

**850+**  
employee  
volunteers have  
delivered the  
modules

**87%**  
say their job  
satisfaction has  
increased

**88%**  
of employee volunteer  
say they are more  
committed to  
DP World

The pilot  
programme was  
completed in  
June 2016

**90%**

Our innovative Global Education Programme is delivered in local schools by DP World employees as part of their volunteering leave.

The pioneering scheme aims to boost the skills, aspirations and confidence of young people in the communities where we operate, raising awareness about the maritime sector, trade and logistics, and related career options. It also aims to develop a talent pipeline of future employees in our business. For more information visit [dpworld.com](http://dpworld.com).
